Taller Lift Height Straddle Base

Custom Lift heights up to 144" (3658mm)

This base can straddle up to 48" (1220mm) pallets

56" Lift Height Euro Style Base

Our Euro style base is designed to drive under pallets.

Shorter Lift Height Swivel Base

A shorter lift height is great for areas with overhead restrictions.

Our swivel base is great for maneuvering around crowded machine rooms.

Need something you dont see here? Contact us! We do custom work and we will work with you to find the right tool to fit your needs!

How To:

1. Determine your initial requirements using the Application Guide to the right.
2. Gather the information below.
3. Contact us with your application information for additional guidance.

Roll Oreintations

What do you want to do:

- Lift only Horizontal ☐ Vertical ☐
 Lift & Turn ☐ By the Core ☐
 By the OD ☐ Cobination ID/OD ☐
